TOWABLE TRAVEL TRAILER

Perfect for **tailgates, festivals, or adventurous** getaways. Our 26-foot tow-behind RV offers air conditioning, heat, running water, a full shower, and essential amenities to keep guests comfortable wherever the event takes you. Towing and generator options available.

GENERATORS

Need reliable power on demand? Our quiet, efficient generators are ideal for events of all sizes.

Choose from:

- 4,000-watt generator – lightweight (50 lbs) and easy to transport
- 5,000-watt generator – higher output (100 lbs), runs on gasoline or propane

Perfect for tents, food service, lighting, and entertainment setups.

SPEAKERS & SOUND SYSTEMS

From **intimate gatherings to high-energy crowds**, we have sound solutions that deliver.

Options include:

- Professional, easy-to-use Bluetooth speakers ideal for groups of up to 50
- Full sound reinforcement systems with subwoofers suitable for crowds of up to 200

Professional setup may be required depending on system selection.

EZ-UP TENTS (10×10)

Beat the heat and stay comfortable. Our 10×10 EZ-Up tents provide quick, convenient shade for outdoor events. Rent one or combine multiple tents to create the space you need.

CATERING EQUIPMENT

Hosting or catering your own event? **Keep food hot, safe, and presentable** with our professional-grade chafing racks, stainless steel pans, and food insulators. A must-have for polished self-service or buffet setups.

TRAILERABLE SMOKER

Cooking for a crowd? Our **trailerable smoker** is perfect for **large-scale BBQs and events**. Wood options available upon request.
